Welcome to the course!

Dear student,

Welcome to the *"Machine Learning A-Z"* course brought to you by SuperDataScience. We are super-excited to have you on board! In this class you will learn many interesting and useful concepts while having lots of fun.

These slides may be updated from time-to-time. If this happens, you will be able to find them in the course materials repository with a new version indicated in the filename.

We kindly ask that you use these slides **only for the purpose of supporting your own learning** journey and we look forward to seeing you inside the class!

Enjoy machine learning,
Kirill & Hadelin

PS: if you are not yet enrolled in the course, you can find it *here*.
